What's on the Menu?

At Maryborough, we believe that nutritious and delicious meals are essential to maintaining good health and well-being. Our dietitians and speech & language therapists work closely with our kitchen team to ensure that every meal supports your clinical care needs, without sacrificing taste or enjoyment.

We offer a wide variety of hot and cold meal options, catering to allergies, cultural preferences, and special dietary requirements. Additionally, we prepare special menus to celebrate holidays and special occasions, ensuring there's always something to look forward to.

How Much Does It Cost?

The cost of aged care is determined by individual circumstances and varies for each person. Financial assistance may be available through the government's Fair Deal Scheme, which involves a combined assessment of assets and income. Depending on your situation, the government may cover all, part, or none of your care and accommodation costs. For more information on the Fair Deal Scheme, please visit www.ntpf.ie/home/nhss.htm.

Moving and Settling In

Moving into a care home is a significant life transition, both for you and your family. Our dedicated staff are here to guide you through every step of the process. Your room will come furnished, including a television, but we encourage you to bring personal items like photographs, artwork, or soft furnishings to create a familiar and comfortable space.

Having someone to talk to who is both knowledgeable and compassionate can make a world of difference. Our Director of Nursing is always available to discuss your care or that of your loved one, ensuring that your concerns and preferences are addressed with care and understanding.

We look forward to welcoming you to Maryborough Nursing Home, where every resident is valued, respected, and cared for with the highest level of attention.
